1977

A design that honours the simplicity of the past and embraces the innovation of the present.

1977 Sofa

"There's no better way to celebrate our heritage than to bring back our first iconic design."

- David King, Founder

Redefining the meaning of timeless, the 1977 Sofa is a reimagining of our Award Sofa, first released in 1977 – the year King Living began. Our in-house design team has retained the integrity of the classic style and enhanced it with five decades of King Living engineering – crafted for the lifestyles and comfort of today.

“
A CELEBRATION
OF THE PAST,
REIMAGINED FOR
TODAY”
